

Survey on GitHub Sponsors

From an analysis of data on GitHub, we have identified that you are seeking sponsors. This survey asks you a few questions about GitHub Sponsors.

The purpose of this survey is to understand how GitHub Sponsors are being used, what impact they are having, and what challenges developers are facing. We hope that this research will help us better understand the key characteristics of GitHub Sponsors and how they can change the way open source software developers work and the way open source software development projects are run.

Your participation in this survey is completely voluntary. You may withdraw from the survey at any time. You can also request to have your responses removed by sending us your participation ID with the form.
